

Session 3: Designing and Costing a Scalable Mechanism for Malawi's Social Cash Transfer Program

(Lilongwe Time)

Date: December 3, 2020

Time: 2:30 PM - 5:30 PM

Objective:

This session will help guide the government in setting key parameters for the scalability mechanism.

Key Takeaways:

Using an online tool customized for Malawi, we will go over the trade-offs on design parameters and costing, including:

- **When:** Review of triggers
- **Where:** Selection of triggers
- **Who:** Number and selection of beneficiaries
- **What:** Payout amount
- **How long:** Duration and timing of disbursement

Please review Chapter 3 (page 50 onwards) in the attached workbook ahead of the training session

Time:

02:30 – 02:50
02:50 – 03:30
03:30 – 03:40
03:40 – 04:30
04:30 – 05:20
05:20 – 05:30

Agenda:

Welcome and recap from Session 2 (data collection & analysis)
Presentation on designing and costing a scalable mechanism
Short break
Interactive session on using the online training tool to inform design
Group work on exercises using the Tool
Wrap Up
